Sew Pro's is now your

Dyson Vacuum

Warranty & Sales Center!

Dyson vacuums offer you the newest in bagless, HEPA-filtered technology. Dyson is the first vacuum cleaner designed to maintain powerful constant suction. By making the air stream spin, dirt and debris are subjected to centrifugal force and thrown out of the air.

For all floor types. Brushbar turns off to protect delicate rugs and bare floors, and auto-adjusts to different carpet heights.

5-year warranty on new machines!
