

Group-Training & Policy

... when you buy a Sewing Machine or Serger from 

At this time, Sew Pro's can accommodate a few private machine classes for equipment not purchased at Sew Pro's. Call store for appointment.

Mechanical or Basic Sewing Machines Know-How

In this 3-hour class, you will learn maintenance, straight stitch, zig zag, buttonholes, and other stitches applicable to your model. \$35 per hour.

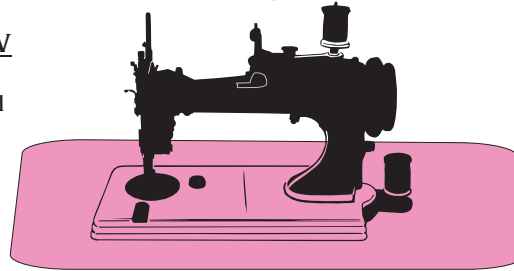

Serger Basics Know-How

In this 3-hour class, you learn maintenance, threading, starting and stopping seams, elastic application, ribbing application and other techniques. \$50 per hour.

Software Classes
Brother and Viking owners learn to combine designs from their embroidery cards and disks, and to download from the Internet. Also, add lettering to create personal-ized designs and learn to digitize your own designs.

Computer Sewing Machine I, II, III Know-How

In these courses you will learn many of the basic and advanced features of your computerized sewing machine, whether Brother, Elna, Pfaff or Viking computer models.

Lesson I: In this 3-hour class you learn maintenance, basic stitches, how to use the Sewing Advisor, and Info display. \$50 hourly.

Lesson II: In this 3-hour class you learn to program the memories, insert or delete letters & work with decorative stitches. \$50 hourly.

Lesson III: In this 3-hour class you learn to use your embroidery unit. This is for all machines with embroidery units. \$50 hourly.

SEW PRO'S
Receipt

Very Important to Keep Receipts

- 1. Retain purchase receipts for all machines:**
Sewing, Embroidery, Sergers, Presses, Software, & Vacuums.
- 2. Mail registration of purchase immediately:**
After buying your machine, copy serial number and mail card.
- 3. Warranty void without receipt:**
Manufacturers ask for original receipt to repair machines or to replace parts.
- 4. Receipt necessary for classroom instruction:**
You must provide Proof-of-Purchase for classes.
- 5. Action required because of "blackmarket" sales:**
Non-authorized stores cannot offer warranties.
