760-738-4503

Class offered with no charge to those who purchased their Version 8 or previous software from Sew Pro's.

In the first week we'll learn how to use your Brother Software to combine letters and embroidery designs, to size your design, and to change the fill pattern in Layout and Editing.

Then, in the following 2 weeks, we will create a design from drawing to embroidery, learn to create fill stitch, and make a photo into an embroidery.

Meets on 3 Saturdays from 10 to 1

Teacher Rosemary says "See you at our Escondido store."
