

Specialty Technique Demo Classes

A part of your on-going  classes

Accessory Techniques:

Learn how and when to use those strange and wonderful feet you've never seen before. Open up a whole new dimension to your sewing and crafts. Demo classes are free with machine purchase. Fee is \$25 for others.

Heirloom Techniques:

Ever wonder how to add those fine hand-worked details to your sewing without the hours of tedious work and sore fingers? It's easier than you think using your sewing machine. Smocking, pin-tucks, double and wing needles, and more. Demo classes are free with machine purchase. Fee is \$25 for others.

Free-Motion Quilting & Embroidery Techniques:

Learn the basic free-motion techniques using your regular sewing machine. You'll create beautiful embroideries by moving the hoop with your hands. No special skills required. You'll be painting with thread in no time! You'll learn monogramming, stippling, and quilt techniques in this basic demo class, which is free with machine purchase. Fee is \$25 for others.
